Mar Gregorios College of Arts and Science **Alappuzha, Kerala**

Bachelor of Computer Applications -University Of Kerala **August 2022 - April 2025**

PROJECTS

Mailflow App **January 2025 - April 2025**

This project aims to develop an accessible mailflow application that enables users to dictate emails in their native Indic languages, transcribe them into English, and generate well- formatted emails using advanced language models.

- Python with Fast API
- Java Kotlin
- Git
- Android Studio
- Postman

Car Rental Website **April 2024 - July 2024**

The "Car Rent" project envisions a user-friendly and efficient platform that connects car rental agencies and customers seamlessly. Admins play a crucial role in managing the platform, ensuring a diverse range of rental agencies and overseeing the entire car inventory. Rental agencies can showcase their cars, view payments, and maintain a positive reputation through customer feedback.
